After their weekend together, James and Bella managed to not talk to each other for a full week

Hey there, big guy

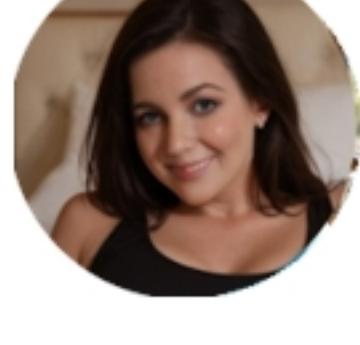

Oh hey, been a while

Why didn't you message me 😊

Thought I'd give you some room to breathe

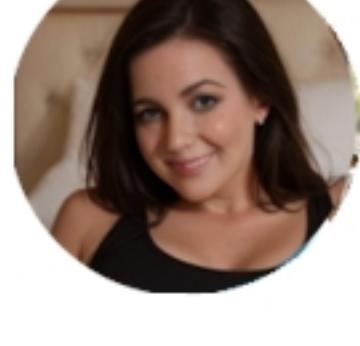

Lies

You just got over me quickly

Oh sure

I mean, is there anything of you I haven't seen yet?

So now you're bored of me?

Yes

I dare to doubt that

You really don't want to
see me naked again?

Push my legs apart?

Use me like I'm some
fucking whore you just paid
enough to get along with
anything you want?

Right, I think I had enough
of all that

Besides, I have pictures I
can look at if I want

You are such an ass though

Such a bad liar

I'm not lying, I really

I'm not lying, I really
have pictures

Look here:

Oh my god you know that's
not what I meant 😊

And you're saying no to
THAT?

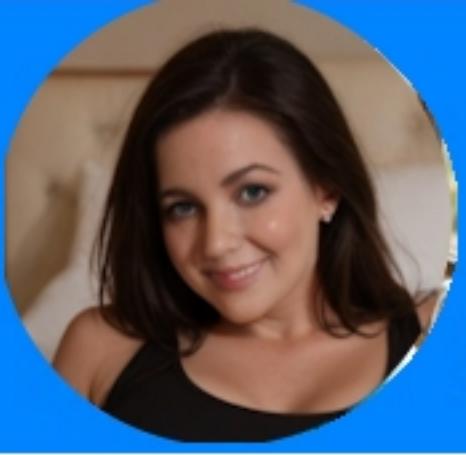

That's me, and my first
instinct is that I wanna
fuck her

All kidding aside, that was a great weekend

Ugh finally you open up to me 😊

Like you did all weekend

Ugh don't remind me

I feel like such a slut

You definitely didn't say no much

Maybe I would have, if you had FUCKING ASKED ME ANYTHING 😊

You took what you wanted from me

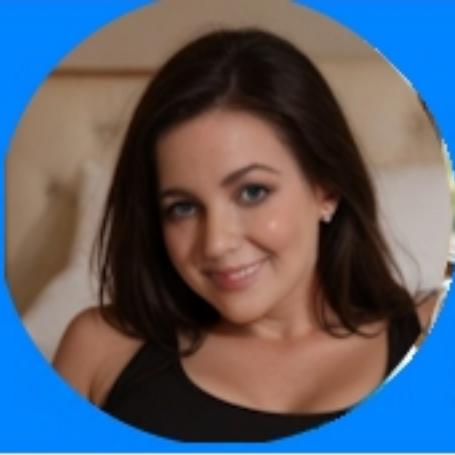

Never even stopped to ask if it was what I wanted

Never even stopped to ask if it was what I wanted

Oh come on, I asked if you wanted coffee in between

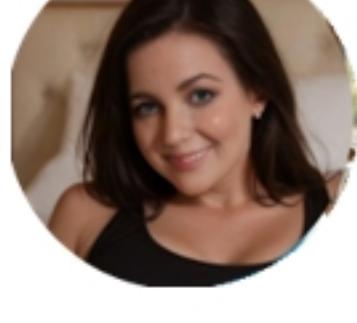

No actually, you were really sweet to me

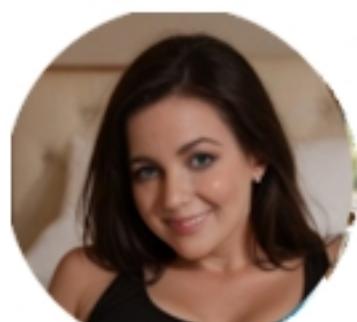

Sweeter than my stupid asshole husband has been in ages

It's no wonder I couldn't come up with the right words for "stop" or "no" 😊

I'm glad you had a good time

I really did

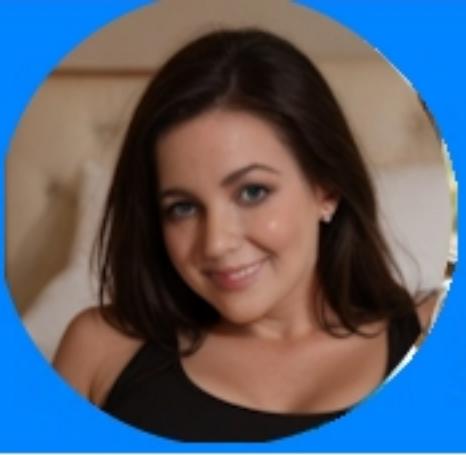

And it helped me decide

Answer this question

About the cabin?

No, I'm still not sure about that

But it helped me decide about you

I no longer feel about being a cheating slut whore of an unfaithful wife

Which is an official job title, by the way

I hope it pays well, because printing that on your business card might get you fired from your current job

Can you imagine

That would be hilarious if I started passing those around

Careful, you might get passed around yourself

Oh my god that was horrible

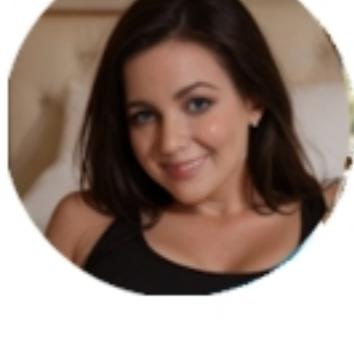

I set myself up for that, didn't I?

You made it hard to resist for sure

Like you always do

Oh stop flirting

Who do you think you are

Right, I'm sorry

Okay, now I have a question
for you

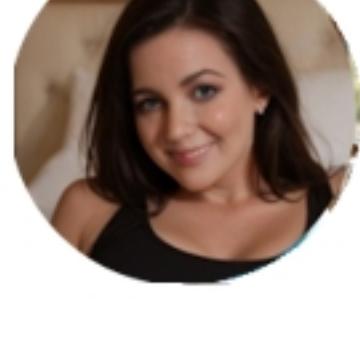

Shoot

What's your favorite
picture of the weekend?

...

Wait, I need to look for it

Go ahead, take your time

It's not like people are
waiting here or anything

Haha

Okay, found it

This one:

What, that one?

That's so harmless

Which is why I like it so much

You really seemed at ease with yourself

And, like, you trusted me with everything

I really liked that

Oh my god stop being weird

I expected you to send me

I expected you to send me pictures of how messy I looked and what a whore I was

Oh okay

Then I have this here for you:

See that's more like it

I can't believe you would grow soft on me like that

No?

Feels like I grew soft on you several times this weekend

Honestly, I'm just messing with you because it messes with me

I'm really not sure what to think or feel or do anymore

And I don't like it when I get like that

Well, maybe we should go and have coffee and talk thinks through again then

You know I'm always there for you with an open ear to listen

Oh hell no

Last time we tried that, my

Last time we tried that, my whole life spiraled out of control

I'll catch you if you fall

Oh my god stop being nice to me already

Okay, whatever you say, you slut

THERE WE GO

Let it all out

Tell me what you really think of me

You sure?

This might get hurtful

Can't hurt more than my body did all week

I'm just now able to walk again without wincing

And this stupid rough fabric of my panties, I swear it's like sandpaper against my skin

Okay, so

Give it to me straight, Doc

When I think of you, I see naked legs clenched together like a closed bank vault

But if I just touch them for a second, they open up to let me in

Wow you're mean

Tell me I'm wrong

Totally not wrong

So, what else do you think
of me?

I think I enjoy having you
fall asleep in my arms more
than I enjoy fucking your
pussy until I come inside
of you

Now you're being weird
again

Try stopping me

Fuck, this isn't working in

Fuck, this isn't working in my favor

I was ready to hate you for what you say about me

Now I don't

You ass

I like your ass, too

Really, you like it?

It's a great ass

Very easy to hold on to

Very easy to hold on to

Very enjoyable to grab and
dig my fingers into it

And I love finishing
between your butt cheeks

And the way you shift
around all afraid I might
try and stick it into your
butthole

And the way you don't
outright tell me not to

Like you wouldn't really
and actually mind if I did

Why didn't you, by the way?

I thought for sure you
would try

Maybe if we had more time together

But I swear that was the moment when I couldn't for the life of me imagine fucking anyone or anything, ever again

I remember how tired you were

It's the last thing I remember before falling asleep

We should do that again sometime

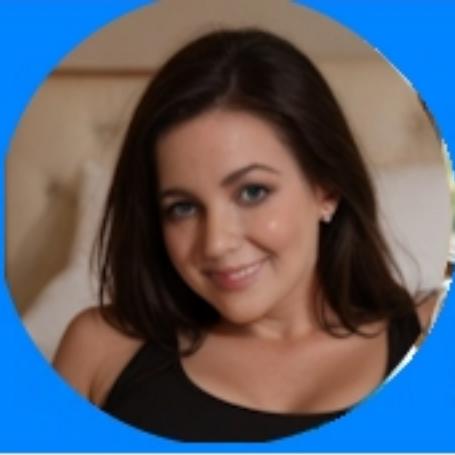

Too bad we won't

This was a one time thing

I'm sure it was

When can we have a one-timething the next time?

Stop disrespecting me like that

I feel like a whore if you treat me like I don't have my own opinions

And you hate that or what?

I love how you can take charge without actually making me feel bad about myself

You're welcome to use me like a sex toy again

I'm glad to hear that

When? 😊

When? 😊

Ugh, not for a while, I think

I need a break

I need some awkward and slow late night husband sex

And I'm away for work next week anyway

Oh really? Where are you going?

You never mentioned it last week

I wasn't even aware of it then

And it's not far, just outside of Oakville

That's like what, three hours?

Yeah, or thereabouts

Just far enough to get a motel room instead of driving back overnight

Well, I'm glad to see you are getting out and about

I know, right?

Say what you want, and travelling for work sucks sometimes

But it's also the best job benefit there is

Fuck fresh fruit and flat hierarchies

Well, I wish you the best
and have fun

Feel free to text me if you
end up getting bored

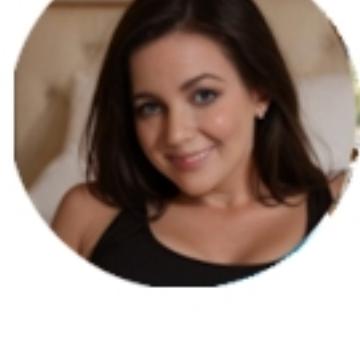

And how on earth would I
get bored?

I've been to Oakville
before

Well, you might be right

Anyway, talk later

Right, have fun
