

A woman with dark hair is lying on a bed, smiling and covering her eyes with her hand. She is wearing a black bra and white lingerie. The background is a bedroom setting.

Hey, did you get home and
to work in time?

Hey, I did

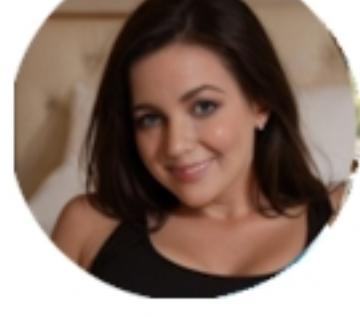

I clocked in right at eight

Your husband said hi

You are bad, Mister

How is he?

Missing you

Writing love poems

Holding his picture of you
that's on his desk and
kissing it when he thinks
nobody is watching

I take it back, you aren't just bad, you are worse 😊

Do I need to remind you how much worse for wear YOU looked last night?

Yes please do

I do NOT remember a thing

Haha sure

Here you go:

Oh wow I knew it was bad

But that is really something

I look like a hooker down on her luck

Like I worked all night

And someone came and stole my paycheck on my way home

Sorry about the pantyhose

Eh, that can be replaced easily

I barely ever wear them anyway

It's the rest of the stuff that you did to me that you should say sorry for

I'll never shake off that

I'll never shake off that emotional damage

Don't tell me it wasn't fun though

What, you mean the part where you walked into the bar, dragged me by my arm and yelled

"okay it's high time we get you out of here, if I tell daddy about this he'll spank you with a spoon"

THAT WAS FUNNY?

Oh come on, their looks were golden

I never felt so embarrassed, I swear to god

Mission accomplished, I would say

And don't act like you weren't laughing about it at the time 😊

Oh my god I'm STILL laughing about it 😊

Don't EVER do that to me again 😊

Or any of the other things you did

Remind me what those were again?

Oh screw you 😊

I mean especially the part where you kissed me and told me you had to leave early to get back to work in time

Leaving me here like this

You didn't even take your shirt off or anything

You just came, dragged me back to my motel room and fucked me 😊

And then you left

Hey look

You didn't even have the decency to take your SHOES off before you went to bed

You THREW me on that bed you asshole 😊

You THREW me on that bed
you asshole 😊

Oh come on, it was more
like a soft and caring
dropping you down on the
bed

Nothing soft and caring
about what you did to me
after, though

I didn't hear you
complaining much

If anything, I remember
something about "fucking
you like a real man for
once"

I thought maybet hat would
egg you on

I thought maybe that would egg you on

But you didn't even get mad at me

It's hard to feel insulted by the cutiepie who's currently begging to get fucked with her legs open wide and under you

I told you you can't just call me cutiepie

The fact that THAT is what you object to in that sentence makes me right though

It's actually really cute

Damn it 😊

I wish I could have stayed
a bit longer

And to think I thought that
one weekend was too short 😊

Ugh, I know, right?

I wish you could have
stayed as well

How long are you gonna stay
there if the contract's
already signed?

Oh, we only do the actual
signing tomorrow, they have
to get the budget approved

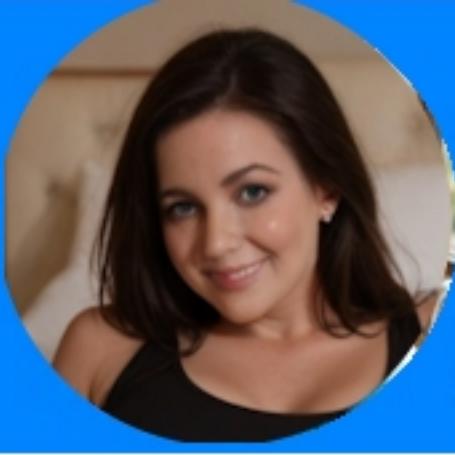

ah I see, I got that wrong
then

Maybe because you were too
busy to stare at my tits to
actually listen??? 😊

Can't argue with facts,
Ma'am

Yeah well and after that,
I'll head home

I know someone at the
office who's looking
forward to that 😊

Oh really? 😏

Yeah, I can see him pacing
around

He looks restless

Do you think I should sleep
with him when I get back?

Are you really asking me
for my opinion on that 😊

So no?

Yes you should

And make it count, make him
remember it all week

Wait really? 😊

So you aren't jealous or
anything?

Do you want me to be?

Knocking at your door at
night

Yelling at him to come out
and fight me like a man?

"Leave my girl alone!"

God that would be so sexy

Can we do that when I leave him?

That might not help your divorce proceedings

Fuck you are right 😊

So have you actually decided now?

Yes

I'm not sure on the details yet, but yes

And I will need your help

You are so nice to me all the time

If I didn't know any better, I would say you're trying to set yourself up in the right position for when my divorce is over

Oh sure 😊

But I'll fuck you every which way before, during and after that happens

Is that so

Even worse

I'm all set to leave

I even called a lawyer that my friend recommended me

Look who's been busy 😊

So, have you set a date for yourself?

Not really

I kinda wanna see how long he lasts before he goes crazy

Or fucks some other chick

In which case, the divorce will be even easier 😊

You think he would do that?

Two, three months, then I don't know, maybe? 😊

don't know, maybe? 😊

Okay, but I want you to
fuck him one more time

What? Why?

Why would you want that?

Hear me out

He will be starved

So you can make him do
anything

So you tell him that if he
wants to sleep with you,
he'll have to spoil you and
make you feel like the only
girl in the world

I'm talking scented
candles, a massage, maybe a
bathtub full of rose leaves

You know, the kind of stuff
you read about in bad
romance books

That's actually really
funny

I'm not even done yet

So you'll make him jump
through hoops to get to
you, and you make it work

I'm sure it'll even be fun

There's only so many things
to mess up an oily fully
body massage

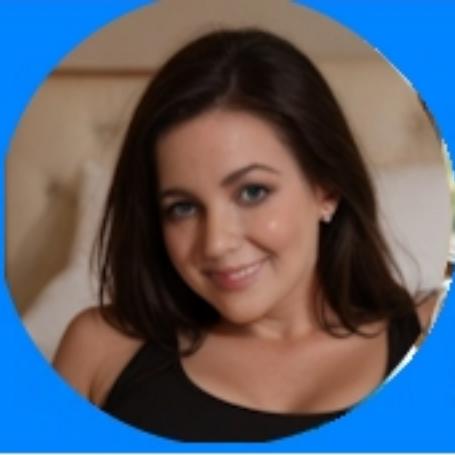

Ugh, I know, right?

So when he has fucked you
inside that circle of
scented tea candles

Right when he's about to come

You tell him that you're leaving

OH MY GOD THAT IS MEAN

Of course I can pull that off!

So you just play with his cum on your body

Run your finger through it, maybe even lick it or something

While you slowly explain to him that you have sorted your stuff, hired a lawyer, and that he's really out of options for making you stay

god I love that

Are you gonna be there somehow to save me if he freaks out?

Sure thing

God, that will be so much fun

I'll help

And will you be naked?

No

I need you hot and hotheaded to defend me if it comes to that

I need to be calm and levelheaded to avoid violence and explain to him why it's in his best interest to accept defeat

Hard to argue with that

It'll be amazing

We'll talk about it for
ages

We'll tell our friends and
