Hey, can you talk?

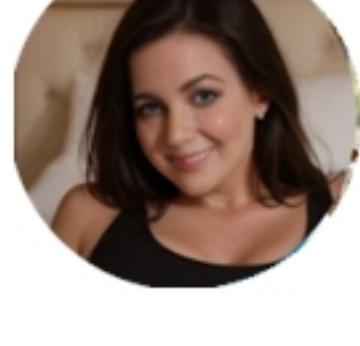

Or write, I guess

Hey Bella, yep I can

Next meeting in an hour

That's great, I won't need
that much

But I've been thinking
about what you said

About the house and stuff

Okay yeah

And what exactly have you
been thinking?

I need you to be honest
with me

Is it stupid and girly and
naive to immediately think
of a cabin by the lake

Is it stupid and girly and naive to immediately think of a cabin by the lake somewhere?

Like, that's the first thing I think of

Is it stupid?

Why would that be stupid? If that's what you like, then you know more about yourself than half of people in this country do

God I know right 😊

But I mean, in practical terms, is it stupid?

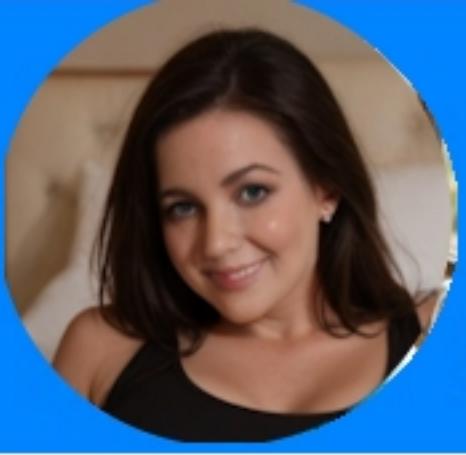

Will I end up hating it?

Well

My dad had one, but he ended up selling it

Really? Why?

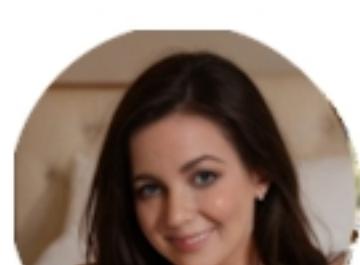

Too far out from everything, and the roads out there were shit

So he needed a 4x4 to get there

But he also needed a city car to get to work

And their driveway at home can barely fit two vehicles, and my mum needed a car as well

Also they are getting older, so living out there full time didn't seem like a smart choice for them

Mhm, good points

Mhm, good points

That being said, you wouldn't have most of their issues, especially if you end up living there full time

Then it's only boredom you're fighting

And I'd have a lake and a little boat, and a mountain of books

That stuff DOES get boring at some point

But then, I'd have the number of this guy I know

I probably shouldn't call him

He comes last in my contacts for a reason

He comes last in my contacts for a reason

He's really not good for me, the way he's so good for me

I won't call him

He won't have time anyway

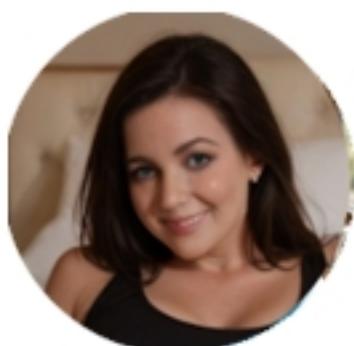

He's so far away

He's still gonna make the drive, you know that

Fuck, I knoooooww 😕

I'm not gonna call him

When can you get there?

You know what

You know what

I think I'm gonna call my dad today

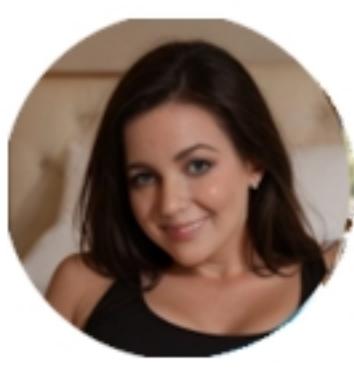

Ask him how he's doing

It's been three weeks since we talked

I could ask him if he's still friends with the guy he sold the cabin to

Last time I heard anything about all that, they weren't living there full-time

Maybe they will let us rent it for a weekend

Oh my god really?

You sound excited

I told you I'm stupid and
naive

I can't believe you would
do that for me

Can you get away for a
weekend?

I'm sure I can figure
something out

Just tell me where and when
you come and get me

Oh, I won't come with

What?

Why not

Oh

You are gonna go all like

"need to make it feel real"

Exactly

You know what's gonna feel
real?

Your palpable loneliness
when you finally pick up
your phone to call me?

Fuck you, I'm done talking
to you

Okay, it was nice knowing
you then

I just got word from my dad

His friend still owns the cabin, and they only use it during fall and winter

We can more or less pick any weekend in the next few weeks

Just gotta let them know and they'll mail the keys to my dad

We? I thought you weren't coming 😊

Yeah I thought about that

And a weekend isn't a long time

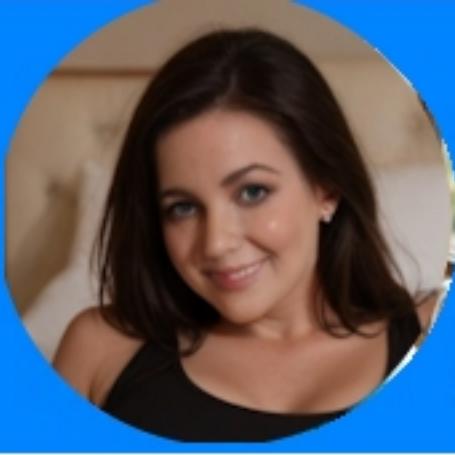

Besides, my dad has the keys, and it would be weird sending you to him alone

Almost like I don't wanna

Almost like I don't wanna talk to him or something

Oh my god, you're really gonna introduce me to your dad?

You can stay in the car if you want 😊

Oh heck no

I'll look him in the eyes and stand my ground if he thinks he has to make any lewd comments

There's absolutely zero chance he won't

I bet on it 😊

I'm sure it'll be fine

He's fine, isn't he?

Boo to dad ever for euro
