Hey there, how's my favorite cutiepie doing today?

Oh my god James 😊

You don't get to call your boss's wife names like that

Oh yeah, thanks for the reminder!

How is life treating you these days, Mrs. Miller?

That's more like it

And I'm doing great, thanks for asking

I'm just getting dressed

Oh, little trip around town?

Oh, little trip around town?

More like I'm going partying

They have parties out there?

Some bars and I think even a little club

I'm sure I'll find SOME way to get a drink or two in me

I'm sure you will 😊

So are you going out with colleagues?

No, my company sent me out here alone

And this is people from the...

And the people from the company I had meetings with are assholes

Did you get the contract?

First you flirt with your boss's wife, and now you engage in corporate espionage? 😊

So that's a no? 😊

That's a no, I'm not telling

Why so secretive?

Because if I tell you that I got it, you might ask me how on earth I achieved that

And the answer is cleavage, and I'm not proud of that

Really? 😊

Really? 😊

I mean, I can't fault the guy

But wow

I swear that guy could NOT keep eye contact for a minute

Normally I would have set him straight

But truth is, this contract was important

That's a commission that pays for the little paddle boat in front of my cabin at least 😊

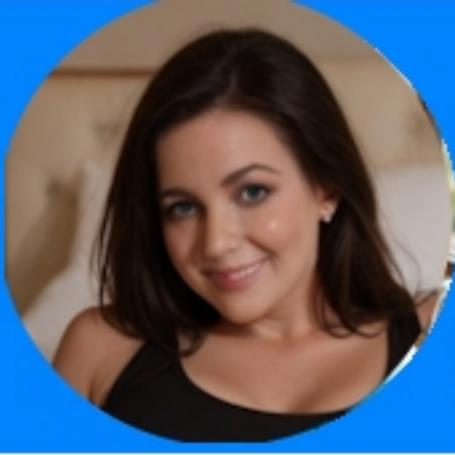

Haha, you know those things are incredibly cheap, right?

Like a couple hundred at most?

Oh okay, I thought they would cost more 😊

Cool, then I can also afford some paddles

But listen, I only told you this because I had to tell someone

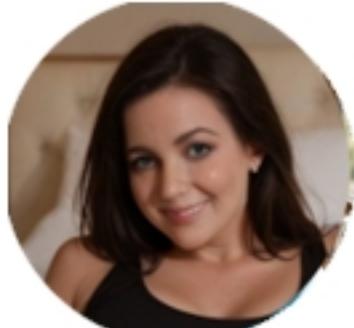

I'm not proud of it

Hey, if it works, it works

I don't mind if other guys stare at my gal

You did NOT say that 😊

I'm not your GAL 😊

Right... I forgot what the

Right, I forget what the socially acceptable term is these days

Slut would work

That bitch you're fucking

The whore who doesn't even take money from you

But not GAL 😊

I see 😊

So is that also the going term when we are out in public?

"Hey barkeep, one cocktail for my slut!"

You are way too much fun

Can I ask you something?

Can I ask you something?

Sure

Do you think I can get a drink or two out of some guys in this outfit?

Oh wow, is that your party outfit?

You like it?

You look very fuckable

You are blessed though

You are biased though

Yeah I mean sure I am 😊

But Jesus Christ, Bella

You're gonna get more than just drinks offered to you

You think?

For sure

Are you flirting?

Not with my boss's wife

I thought so

Just calling her extremely fuckable

You think someone will snatch me up?

You think someone will
snatch me up?

I would be very surprised
if you don't have a random
hand under your skirt
before the night is over

You mean like this?

I think you forgot to put
on panties

Oh my god you are right

What an oversight

You better not bend over to
pick something up

Or someone's definitely
gonna get the wrong ideas

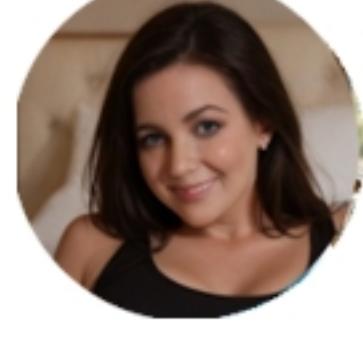

Maybe that's what I like

From random strangers?

I'd be more comfortable if
you came round and rescued
me from myself

But I'll take what I can
get

Hint hint 😊

You really expect me to
drive through the night to
come and get you?

What happened to when you

What happened to when you said you'd drive out to my cabin no matter what?

Yeah I remember that 😊

So you mean it? You want some company?

Let me put it this way

If you don't come, I'll find someone else who does

Hah, I believe you

You better

I'm in the mood to make mistakes tonight

all this guy staring at my breasts got me angry

Okay, I'll be about an hour before I get there

Cool 😊

Wait

It's at least a two and a half hour drive

How is it only an hour?

Oh, I am in my car parked at the side of the road right now, I was going for a little night drive anyway

You really drove my way on the off chance I might invite you?

No no

They have this nice...diner
halfway to Oakville that
I've been meaning to check
out

Oh my god 😊

You are actually really
cute

Can I kiss you when you get
here?

If you want to break some
hearts of the guys around
you, sure

You better hurry

I won't be in a state to
defend myself much longer

haha okay, I'm rushing to
rescue you
